MEMORANDUM FOR: Evan Hineman
Deputy Director for Science and Technology

FROM:
Director, Intelligence Community Staff

SUBJECT: Memorandum of Appreciation

1. I should like to express my appreciation for the outstanding support provided by and the Visual Information Staff (VIS) during the process of publishing the FY 1986 Congressional Budget Justification Books (CBBJ) and throughout the year. On numerous occasions over the past several years we have received high quality graphics and visual aids for publications and briefings, frequently on short notice, from this competent staff of professionals. Their outstanding cooperation and participation with the Program and Budget Staff were major factors in meeting the Congressional submission date for the CBBJ.

2. We look forward to continuing to work with this fine group.
